ROCK RAPIDS, IOWA

GENERAL INFORMATION

TIME—Monday, February 27, 1967. Sale will start promptly at 12:00 Noon. C.S.T.

LOCATION—The sale will be held in the Spencer North Y Sale Pavilion located $\frac{1}{4}$ mile north of junction of Highways 71 and 18, Spencer, Iowa.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the seller, and the sale manager is notified of the arrangement. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

HEALTH—All cattle will be sold according to the health regulations of the State of Iowa. Buyers must be aware of any variation between the laws of Iowa and their own states. Interstate health certificates will be furnished. In addition, calfhood vaccination for Brucellosis has always been practiced.

CERTIFICATES OF REGISTRY—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam. Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over the data in the catalog.

AUCTIONEER—Dick Kane, Wisner, Nebraska.

SALE MANAGER—Albert J. Hamann, Rock Rapids, Iowa.

VETERINARIAN—Dr. Leslie Moore, Terril, Iowa.

PERSONNEL—Ted Aegerter, American Shorthorn Assn., Seward, Nebraska; Bill Stunkel, The Shorthorn World, Fremont, Nebraska; J. E. Halsey, Wallaces Farmer, Des Moines, Iowa; Robert C. Fitzgerald, The Drovers Journal, Kansas City, Missouri.

MAIL ORDERS—Those unable to attend who desire to buy may contact any of the above men, all of whom will be in attendance. Late bids on sale day can be phoned to the Sale Manager who can be reached at the Spencer North Y Sale Pavilion, Phone 712 262-4528, Spencer, Iowa.

INSURANCE—Buyers wishing to insure their purchases through Harding & Harding Livestock Insurance can be accommodated by so indicating to the Sale Manager at the sale or to Sale Clerk at time of settlement.

SALE HEADQUARTERS—The Hotel Tangney, Spencer, Iowa will be sale headquarters. Make personal hotel reservations as soon as possible and mention the Blum-Seely Polled Shorthorn Sale. The hotel telephone number is 712 262-2010. The sale manager can be reached there the evening prior to the sale.

FROM THE SALE MANAGER—

When two herds of the caliber of the Blum and Seely herds join forces to hold a Polled Shorthorn production sale the sale is bound to be a natural.

Minor and Robert Blum and Claude and Kent Seely, senior and junior members of each firm, respectively, have been breeding and producing improving Polled Shorthorns for a long time. All are thoroughly experienced cattlemen that are held in very high regard by everyone in the purebred cattle business.

Both herds have always been progressive and enthusiastic to continually keep improving. Their record at top sales and major shows will attest to this. In addition, they have always been ready to add top herd bulls and other superior seed stock whenever and wherever they were to be found.

Both herds have closely culled, strong, productive cow herds headed by outstanding bulls with correct background and breeding, and proven ability as sires. In many respects the breeding of both herds is very similar and the combined uniformity is most striking.

This sale has been planned for over a year and is made up almost entirely of the very cream of their 1965 calf crop for some of which very attractive offers have been turned down in order to hold for the sale. Only a few older cattle of the right kind are included. Therefore, it would be difficult to find a more uniformly good offering of young productive superior individuals, many of which they would have liked to retain. Future plans are to make this joint sale an annual event.

A guest consignment by Leo Wellik of the firm of Jilji Wellik & Sons, Britt, Iowa is included because Leo is moving and must sell his cattle which is his herd bull and a select group of young high quality cows.

Come to Spencer on February 26 and 27. You will be able to inspect the sale offering on Sunday and buy from one of the finest sale offerings on Monday.

From The Blums—

We most cordially invite everyone to this production sale, at Spencer, Iowa on February 27 to see and let you be the judge of what we believe to be the finest group of young cattle we have ever produced.

We have been planning this sale for over a year and have held back our entire 1965 calf crop without exception for this sale. Our herd is now large enough so that we can be very selective in choosing our sale offering. We have utmost confidence in these cattle and are willing to stand back of them in every way.

We are most happy to be associated with the Seelys in this sale so that each of us can present about an equal number of cattle. We have always admired their cattle and we feel that together we can present a sale offering of equal uniform quality, and large enough to warrant some time and travel to see. Our future plans are to make this joint sale an annual event.

We are also pleased to have Leo Wellik make a guest consignment of young producing cows. We feel it will add balance to the offering.

We hope you will be with us on February 27.

VICTORIA'S ROYAL X—This bull has a good strong head, is well balanced and is one of our bigger bulls in size and weight. He is exceptionally deep in Polled breeding. His sire is the 1964 Omaha sale top and his dam comes from a family that did so well in the Ferguson herd. One of the top heifers in our 1959 sale was out of the same dam and sold to Dean Windom. A bull to consider.

PROUD COUNT X—A burly, massive bull. He has a great head, straight lines, depth, natural thickness, plenty of bone and good sound feet and legs. His sire topped the 1964 Omaha sale at \$1550 and is by Susanna's Royal Oak X who was by the \$10,000 Marellbar Purvis and out of a dam by the International reserve champion, Cherry Hill Royal Oak X. His dam comes from a great Princess Royal Family and is by the great breeding bull Security Leader X whose first six sons averaged \$825 in our 1959 sale with a top of \$1300. The dam's grandsire is a halfbrother to an International champion and her dam is a granddaughter of the noted Collynie Renown X. We bred 8 top heifers to this bull and he is a sure breeder. At 17 months after some service he weighed 1260 lbs. Here is a herd bull for a top herd.

COUNT ROYAL X—Here is an outstanding white bull with the great size so many are looking for today. Yet he has all the qualifications for a top herd bull. He is good headed, thick, deep, smooth, well balanced with good bone and lots of style. He is also by the \$1550 Omaha sale top and his dam is from the great Princess Royal family and a granddaughter of the \$10,000 Camson Better News. This bull had the exceptional weight of 1420 lbs., at 17 months of age. He will breed size and is a herd bull for someone. He is worth time and travel to see.

Although we were not able to weigh all of our bulls, this one is equal or better to the average of our weighed bulls, both in size and weight. All the sons of Susanna's Count X have size, weight and substance. This bull's dam is a top cow and a granddaughter of the \$10,000 Camson Better News and Riverside Security X, a 100% dehorner. A bull that will bear close inspection.

FROM THE SEELYS

We sincerely welcome everyone to this production sale to see what we are offering. We really believe we are offering a great group of nearly all young cattle.

This sale has also been in our planning for over a year and we have held back our entire 1965 calf crop, without reservation, so we could present the kind we are proud to offer. Our herd is large and we have been most selective in making up this offering. We believe in these cattle and will stand back of them.

We are very pleased to be associated with the Blums in this sale and that we can each contribute about equally to the numbers, quality and uniformity of the offering. We feel it affords an opportunity to present an offering large enough so that there will be wide selection for everyone. Our plans are also to make this joint sale an annual event.

We appreciate Leo Welik making a guest consignment consisting of his select small herd of young cows which he must sell. It will broaden the sale selection still more.

We trust we may see you on February 27.

LEADER'S RETURN X—A very good strong two-year old bull that is good headed, plenty of sire size, good bone with sound legs and feet. He also has lots of character and masculinity. He is by Leader's Progress X, one of the top sons of the good sire, Security Leader X. He sired several sale champions and state fair winners for us. His dam is by the great Perfect Nugget X who sired the 1961 National Polled Congress champion bull and many state fair and sale show champions for us. This bull is a full brother to the 1965 Iowa Polled Shorthorn sale champion and top that went to B. E. Van Sickle & Son, Hurdland, Missouri. He has been used on several top heifers. Here is a breeders bull.

FROM LEO WELLIK—

As a guest consignor, I join the Blums and Seelys in inviting you to this sale at Spencer, Iowa, on February 27.

Although our family has always registered our cattle as Jilji J. Wellik & Sons, I have maintained my herd separately. Now I am moving to a farm without livestock facilities so I must sell my small select herd which I have culled rigidly so am offering only the very top end. These are good productive cattle which I regret to part with but must under the circumstances. I sincerely hope that someday I may again be associated with Polled Shorthorns.

I appreciate very much the opportunity the Blums and Seelys have given me to sell this select group as a guest consignor in their good sale.

I shall be most pleased to see you on February 27.

QUIETVALE MARYDALE 8TH — Here is a real cow and a very good producing cow. If it were not for the fact that we are moving to a farm without live-stock facilities this cow would not be for sale. She is sired by a grandson of the \$4500 Imp. Calrossie Outlook who proved to be a great sire in the Swanson herd, and later at the Maclyn Plantation in Georgia. The dam is from a dependable Mysie family. This cow was the top selling female in the 1963 Marshall County sale. She will have a calf at foot by sale day to the service of Nugget's Max X who also sells. This cow has been dehorned.

QUIETVALE MARYDALE A—This is the first calf out of the good cow Quietvale Marydale 8th which sells. She is sired by a top son of Imp. Drynie Drambuie who sired several Minnesota State Fair champions. She is a good young cow but not in high condition because she has at foot a burly Polled roan bull calf born Dec., 5, 1966 by Nugget's Max X. This cow has been dehorned.

ROYAL AUGUSTA 21ST X—Another Augusta whose sire was of Killearn Max Juggler breeding. As you will note this has been a very productive family for us as seven members, all descendants from one cow, sell. She will calve in the spring to the service of Nugget's Max X.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
